

Girls Learning Environment & Energy (GLEE) Parent Survey #2

As you are aware, Stanford University and Girl Scouts of Northern California are working with your troop on the Girls Learning Environment & Energy (GLEE) program. Parents' participation in this program includes completing three short surveys, over about 6 months, to help evaluate the program. Please take a few minutes to fill out the attached survey. Your participation is very important to the effectiveness of the GLEE program. All information goes only to the Stanford researchers who will protect your family's confidentiality.

GIRL SCOUT(S) INFORMATION

I am the parent / guardian that completed GLEE Parent Survey #1. Yes No

PLEASE STOP AND FIND THE PARENT / GUARDIAN THAT COMPLETED PARENT SURVEY #1! We would strongly prefer that the same individual who completed Parent Survey #1 complete this and subsequent surveys.
